

In response to the recent decision made at the General Conference by leaders of the global United Methodist Church, First Palo Alto UMC recognizes this is a very difficult time for LGBTQ people within our church, as well as outside in our communities. We acknowledge the continued hurt and harm this decision imposes on our LGBTQ brothers and sisters. Now more than ever, FPAUMC embraces its commitment to serve as witness to our truth, the truth that you are loved and valued just as you are, just as God created you to be. To all our beloved LGBTQ siblings, please remember that you are not alone.

Below is a list of resources for our LGBTQ siblings, families, friends and allies.  
We see you.  
We love you.

### **The Trevor Project**

With suicide rates noticeably higher among LGBTQ youth than their straight peers, the mission of The Trevor Project is incredibly important. By providing a 24/7 crisis intervention service, online community, and educational programs, the organization seek to be both life-saving and life-affirming. Crisis Hotline: 1-866-488-7386

### **Human Rights Campaign (HRC)**

HRC is the largest organization fighting for the civil rights of lesbian, gay, bisexual and transgender Americans. The organization currently has over 1.5 million members, all focused on making true equality possible for all. The organization has a number of research publications outlining equality indexes on areas such as healthcare, employers, states and corporations.

### **It Gets Better Project**

The mission of the IGB Project is to give LGBT across the world hope that things do get better. In response to raised incidents of students committing suicide after being bullied at school, this organization was created to provide both inspiration and resources, including pledges and educational videos.
